## Objective

---

Web Developer with a background in graphic design and salon administration. Passionate about joining a team of inspired digital creatives; built projects with seamless UI design in mind, primarily in Rails.

## Technical Skills

---

Ruby, JavaScript, SQL, HTML, CSS, Rails, AngularJS, jQuery, Bootstrap, PostgreSQL, Nginx, Photoshop, Illustrator, Atom, Brackets.io

## Select Projects

---

### Portfolio (CMS)

[cerrillomedia.org](http://cerrillomedia.org)

*Personal portfolio*

- Migration of Jekyll site hosted on Github to personalized CMS on Heroku
- Full featured web-application with Rails, Bootstrap & jQuery
- Integrated file management with Amazon S3 via CarrierWave gem

### Formul.us

[formulus](http://formulus)

*Salon Industry tool to create & maintain client accessible service/formula data*

- Conceptualized use cases while maintaining iterative workflow through GitHub
- Mobile first responsive web-application utilizing Rails, Bootstrap and jQuery
- Utilize Postgres RDB techniques to speed up data querying and delivery

### Blocitoff

[cmds-blocitoff](https://cmds-blocitoff)

*Self destructing To-Do web application*

- Mobile-first web application built with Rails, SQLite, JavaScript & jQuery
- Utilizing GitHub and Heroku/Postgres in production
- Upgraded standard single-list to multi-list functionality for improved organization and workflow

### Convo.io

[cmds-convo](https://cmds-convo)

*Wiki-style site for user content generation, management and engagement.*

- Managed entire project from concept to production & maintenance
- Implemented monetization incorporating the Stripe API for feature upgrades
- Established version control through GitHub and published on Heroku

## Education

---

### Bloc.io

Remote  
9/16 - 9/17

*Web-Developer Program*

Immersive program specializing in Ruby on Rails, Angular & React encompassing complete lifecycle development.

## Work

---

### Juut Salonspa

Palo Alto  
3/2008 - present

*Inventory Management, Guest Services Specialist & Interim Assistant Manager*

- Streamlined ordering processes while minimizing overstock and product waste
- Designed and implemented organizational tools both digital and print which were then adopted company wide across 11 salons nationwide

### Tantalum Magazine

Remote  
9/2011 - 8/2015

*Web and graphic design*

- Implemented initial layout while coordinating content creation and maintenance with creative director
- Successfully transferred over to SquareSpace hosting & polished template UI
